*"Whisky is a marriage
of science, art and
passion..."*

– Bill Lark

**WHISKY BUSINESS,
THE MOST EXCLUSIVE EVENT
IN THE SAFFIRE CALENDAR.
BUT THIS YEAR IS DIFFERENT...
THIS YEAR THERE'S GIN!**

The godfather of Australian Whisky, Bill Lark, is back on Tasmania's iconic East Coast to host Saffire's Whisky Business 2018. This year Bill is bringing a few friends, including whisky specialist Ross Blainey from Balvenie Distillery in Scotland. Balvenie celebrated their 125th anniversary last year whilst Lark Distillery celebrated their 25th anniversary – two world-beating whiskies separated by a century... and half the globe.

Bill has also invited three exceptional distillers of fine Tasmanian gin, because where there's great whisky there's often great gin.

Most importantly, Bill has invited you to spend the weekend immersed in quintessential Saffire luxury, interacting with world-class distillers, sharing their stories, their history and their spirits.

You'll enjoy a range of entertainment, cocktail and degustation menus prepared by Executive Chef Todd Adams and the range of Saffire experiences that has seen it become Australia's most awarded luxury hotel.

**AN EXPERIENCE OF THIS CALIBRE
STAYS WITH YOU FOREVER.**
